
Cold On The Shoulder

Gordon Lightfoot

Eb Db Bb F Eb Bb

All you need is time
All you need is time time time to make it bend
Give it a try don't be rude
put it to the test, it'll give it right back to you
It's cold on the shoulder
and you know that we get a little older every day.

Take it around
take it to town
Try to defy what you feel inside
You better be stong your love belongs to us
It's cold on the shoulder
and you know that we get a little older every day.

turnaround once through verse

All you need is is trust
An you need is trust trust trust
to make it show
I want to know everything you've done
if you get a tent tell it to the eskimo
It's cold on the shoulder
and you know that we get a little older every day.

turnaround once through verse

Eb

All you need is faith

All you need is faith faith faith

to make it nice

Eb

Kick it around don't be rude

if you gonna make a mistake don't you make it twice

It's cold on the shoulder

and you know that we get a little older every day.

It's cold on the shoulder

and you know that we get a little older every day.
