# Don't Think Twice It's Alright

Bob Dylan

(turnaround start, between verses and end, one measure each: G D Em C G D G)

G D Em  
Well it ain't no use to sit and wonder why babe

C G D  
If you don't know by now

G D Em  
And it ain't no use to sit and wonder why babe

A7 D D7  
It don't matter any how

G G7  
When your rooster crows at the break of dawn

C A7  
Look out your window and I'll be gone

G D/F# Em C  
You're the reason I'm travelling on

G D G  
But don't think twice it's alright

G D Em  
And it ain't no use in turning on your light babe

C G D  
That light I never knowed

G D Em  
And it ain't no use in turning on your light babe

A7 D D7  
I'm on the dark side of the road

G G7  
I wish there was something you would do or say

C A7  
To try and make me change my mind and stay

G D/F# Em C  
But we never did too much talking anyway

G D G  
So don't think twice it's alright

G D Em  
And it ain't no use in calling out my name babe

---

C G D  
 Like you never did before  
 G D Em  
 Ain't no use in calling out my name babe  
 A7 D D7  
 I can't hear you any more  
 G G7  
 I'm thinking and a-wondering, walking down the road  
 C A7  
 I once loved a woman, a child I'm told  
 G D/F# Em C  
 I gave her my heart but she wanted my soul  
 G D G  
 But don't think twice it's alright

G D Em  
 I'm walking down that long lonesome road babe  
 C G D  
 Where I'm bound I can't tell  
 G D Em  
 But goodbye is too good a word babe  
 A7 D D7  
 So I'll just say fare thee well  
 G G7  
 I ain't saying you treated me unkind  
 C A7  
 You could have doen better but I don't mind  
 G D/F# Em C  
 You just kinda wasted my precious time  
 G D G  
 But don't think twice it's alright
