

Fox On The Run

Tony Hazzard

Chorus

G She walks through the corn leading down to the river
Am Her hair shone like gold in the hot mornin' sun
G She took all the love that a poor boy could give her
Am And left me to die like a fox on the run
C Like a fox, (like a fox, like a fox, like a fox) on the run **G**

C Out here everybody knows the reason for the fall
C When woman tempted me down in paradise hall
