
Till The End Of The World Rolls Round

Newton S. Thomas

F# B

B
Well, I tried to sail the sea of life
B7 E
I rowed my boat alone
F#
Your love meant nothing to me, dear
B
my heart was made of stone
B
To a harbor filled with loneliness
B7 E
my little boat was moored
F#
and on the day I first met you
B
my heart fell overboard.

Chorus

B
Till the end of the world rolls round
E
I'll keep on loving you
F#
as long as the sun comes up and goes down
F#
the big blue sky comes down to the ground
F#
long as the world goes round and round
F# B
I'll keep on loving you

turnaround

B
Now, whenever you're around me, dear
B7 E
my heart just won't keep still
D
and when it comes to kissing you
B
I'll never get my fill
B
They said I'd never settle down

that I would always roam ^{B7} ^E
that I would never be the type ^{F#}
for loving wife and home ^B
Till the end of the world rolls round I'll keep on loving you ^E
as long as the sunn comes up and goes down ^{F#}
the big blue sky comes down to the ground
long as the world goes round and round I'll keep on loving you ^B

^B
so, now, I know the way I've felt
was only selfish pride ^{B7} ^E

so, tell me what I've got to do ^B
and tell me how I stand ^{B7} ^E
the cards are on the table, dear ^{F#}
my life is in your hands ^B
Till the end of the world rolls round I'll keep on loving you ^E

long as the world goes round and round I'll keep on loving you ^B
