
Don't You Wish It Was True

John Fogerty

^E
I dreamed I walked in heaven just the other night
There was so much beauty so much light

^B
Don't you wish it was true

^E
Don't you wish it was true

^E
An angel took my hand
Said you don't have to hurry
Got all the time in the world don't worry

^B
Don't you wish it was true

^E
Lord don't you wish it was true

^A But if tomorrow everybody was your friend ^E

^B
Anyone could take you in

^E
No matter what or where you'd been

^A But if tomorrow everybody had enough ^E

^B
The world wasn't quite so rough

^E
Lord don't you wish it was true

^E
He said the worlds gonna change and it's startin' today
There'll be no more armies no more hate

^B
Don't you wish it was true

^E
Now don't you wish it was true

^E
And all the little children would live happily

There'd be singin' and laughter and sweet harmony

Don't you wish it was true

Lord don't you wish it was true

But if tomorrow everybody under the sun

Who's happy just to live as one

No borders or battles to be won

But if tomorrow everybody was your friend

Happiness would never end

Lord Don't you wish it was true

Alright!

instrumental ONE VERSE

But if tomorrow everybody under the sun

Who's happy just to live as one

No borders or battles to be won

But if tomorrow everybody was your friend

Happiness would never end

Lord Don't you wish it was true

Lord Don't you wish it was true

Lord Don't you wish it was true

Oooooo-A!

What a beautiful day!

instrumental ONE VERSE - ONE CHORUS
