# I FEEL LUCKY

## Mary-Chapin Carpenter & Don Schlitz

Well I woke up this morning stumbled out of my rack  
I opened up the paper to the page in the back  
It only took a moment for my finger to find  
My daily dose of destiny, under my sign  
My eyes just about popped out of my head  
It said "the stars are stacked against you girl, get back in bed"

Chorus

I feel lucky, I feel lucky, yeah  
No Professor Doom gonna stand in my way  
Mmmmm, I feel lucky today

4 bars

Well I strolled down to the corner, gave my numbers to the clerk  
The pot's eleven million so I called in sick to work  
I bought a pack of Camels, a burrito and a Barq's  
Crossed against the light, made a beeline for the park  
The sky began to thunder, wind began to moan  
I heard a voice above me saying, "girl, you better get back home"

I feel lucky, oh oh oh, I feel lucky, yeah  
No tropical depression gonna steal my sun away  
Mmmmm, I feel lucky today

Now eleven million later, I was sitting at the bar  
**A B**  
I'd bought the house a double, and the waitress a new car  
**E**  
Dwight Yoakam's in the corner, trying to catch my eye  
*Julia Roberts'*  
**A B**  
Lyle Lovett's right beside me with his hand upon my thigh  
*Gweneth Paltrow*

The moral of this story, it's simple but it's true  
**B B7**  
Hey the stars might lie, but the numbers never do

I feel lucky, oh oh oh, I feel lucky, yeah  
Hey Dwight, hey Lyle, boys, you don't have to fight  
*Hey, Jule, hey, Gwen*  
Hot dog, I'm feeling lucky tonight

I feel lucky, brrrrr, I feel lucky, yeah  
Think I'll flip a coin, I'm a winner either way  
Mmmmmm, I feel lucky today
