# I Shall Be Released

Bob Dylan

G Am  
They say everything can be replaced  
Bm Am G D7  
Yet every distance is not near  
G Am  
So I remember every face  
Bm Am G D7  
Of every man who put me here.

G Am  
I see my light come shining  
Bm Am G  
From the west unto the east.  
G  
Any day now,  
Am  
Any day now,  
Bm Am G  
I shall be released

They say every man needs protection.  
They every man must fall.  
Yet I swear I see my reflection,  
Somewhere so high above the wall.  
I see my light come shining,  
From the west unto the east.  
Any day now,  
Any day now,  
I shall be released.

Well yonder stands a man in this lonely crowd,  
A man who swears he not to blame.  
All day long I hear him cry shouting loud,  
Calling out that he's been framed.  
I see my light come shining,  
From the west unto the east.  
Any day now,

---

Any day now,  
I shall be released.
