# Till The End Of The World Rolls Round

Newton S. Thomas

original key B - capo 4 on guitar

Intro

D G

G  
Well, I tried to sail the sea of life  
G7 C  
I rowed my boat alone  
D  
Your love meant nothing to me, dear  
G  
my heart was made of stone  
G  
To a harbor filled with loneliness  
G7 C  
my little boat was moored  
D  
and on the day I first met you  
G  
my heart fell overboard.

Chorus

G  
Till the end of the world rolls round  
C  
I'll keep on loving you  
D  
as long as the sun comes up and goes down  
D  
the big blue sky comes down to the ground  
D  
long as the world goes round and round  
D G  
I'll keep on loving you

turnaround

G C D D D D

G  
Now, whenever you're around me, dear  
G7 C  
my heart just won't keep still  
D  
and when it comes to kissing you  
G  
I'll never get my fill

<sup>G</sup>  
They said I'd never settle down  
<sup>G7</sup> that I would always roam <sup>C</sup>  
<sup>D</sup>  
that I would never be the type  
<sup>G</sup>  
for loving wife and home  
<sup>G</sup> Till the end of the world rolls round I'll keep on loving you <sup>C</sup>  
<sup>D</sup>  
as long as the sunn comes up and goes down  
the big blue sky comes down to the ground  
long as the world goes round and round I'll keep on loving you <sup>G</sup>

(instrumental verse)

<sup>G</sup>  
so, now, I know the way I've felt  
<sup>G7</sup> was only selfish pride <sup>C</sup>  
<sup>D</sup>  
I thought my heart was fireproof  
<sup>G</sup>  
but you burned your way inside  
<sup>G</sup>  
so, tell me what I've got to do  
<sup>G7</sup> and tell me how I stand <sup>C</sup>  
<sup>D</sup>  
the cards are on the table, dear  
<sup>G</sup>  
my life is in your hands  
<sup>G</sup> Till the end of the world rolls round I'll keep on loving you <sup>C</sup>  
<sup>D</sup>  
as long as the sunn comes up and goes down  
the big blue sky comes down to the ground  
long as the world goes round and round I'll keep on loving you <sup>G</sup>
