Don't Think Twice It's Alright

Bob Dylan

(turnaround start, between verses and end, one measure each: G D Em C G D G)

G   D       Em
Well it ain't no use to sit and wonder why babe
C   G       D
If you don't know by now
G   D       Em
And it ain't no use to sit and wonder why babe
A7  D       D7
It don't matter any how
G                        G7
When your rooster crows at the break of dawn
C                        A7
Look out your window and I'll be gone
G   D/F#       Em       C
You're the reason I'm travelling on
G   D       G
But don't think twice it's alright

G   D       Em
And it ain't no use in turning on your light babe
C   G       D
That light I never knewed
G   D       Em
And it ain't no use in turning on your light babe
A7  D       D7
I'm on the dark side of the road
G                          G7
I wish there was something you would do or say
C                        A7
To try and make me change my mind and stay
G   D/F#       Em       C
But we never did too much talking anyway
G   D       G
So don't think twice it's alright

G   D       Em
And it ain't no use in calling out my name babe
Like you never did before
Ain't no use in calling out my name babe
I can't hear you any more
I'm thinking and a-wondering, walking down the road
I once loved a woman, a child I'm told
I gave her my heart but she wanted my soul
But don't think twice it's alright

I'm walking down that long lonesome road babe
Where I'm bound I can't tell
But goodbye is too good a word babe
So I'll just say fare thee well
I ain't saying you treated me unkind
You could have done better but I don't mind
You just kinda wasted my precious time
But don't think twice it's alright
